The Best Platform to Tap into the Chinese Market for Occupational Safety and Health

en.ciosh.com

China International Occupational Safety & Health Goods Expo (CIOSH) was founded in 1966 to provide a full range of manufacturing safety and health protective equipment to workers in major manufacturing fields, including construction, chemical, metallurgy, mining and medical care.

With more than 1,500 exhibitors and 30,000 visitors, CIOSH is the largest trade fair for occupational safety and health in China. In order to bring more business opportunities to enterprises by overcoming communication barriers and integrating online and offline services, CIOSH 2021 goes digital. With CIOSH VIRTUAL, you can make the most of this opportunity to tap into the Chinese market and expand your business relationships further.
