The organizer reserves the right to refuse to accept any space application/contract at its absolute discretion without giving reasons therefore.

2. Admission

Exhibitors at the event are the manufacturers of the products. Trading companies will only be admitted if they can provide proof from the manufacturer that they are authorized to display and sell those particular products and services at the show, i.e. the manufacturing company cannot exhibit in addition. In principle, only those exhibitors are admitted whose registered exhibits and services are in accordance with the event's list of exhibits and meet the requirements stated in paragraph 1. The decision as to whether an exhibitor or exhibits can be admitted rests with the organizer, if necessary, after consultation with the admissions committee. A legal claim for admission does not exist. Exhibitors who have not fulfilled their financial obligations to the organizer or have contravened the conditions of participation, the technical regulations or legal requirements can be excluded from participation.

The exhibitor will be sent a hall plan showing the location of the stand and where relevant a site plan indicating the hall. The organizer reserves the right to cancel a stand booking approved on the basis of misleading or false information or if the requirements for participation are no longer met or the booking is no longer in accordance with the admission regulations. If the allotted space is not available for reasons beyond the control of the organizer the exhibitor may claim a refund of the space rental cost; no claims for damage will be entertained. The organizer may, if required by circumstances and specifying its reasons for doing so, and bearing in mind what is reasonable for the exhibitor, deviate from the notice of admission by allocating space in another position or reducing or increasing the stand size. It reserves the right to alter entrances and exits to and from the exhibition grounds and the halls, as well as throughways between halls.

Where payments are not made in due time, the organizer shall, without prejudice to other remedies and rights available hereunder, be further entitled to terminate the contract or otherwise dispose of the stand area and the exhibitor shall be responsible for all losses suffered by the organizer. The above provision shall also apply to the circumstances that the exhibitor fails to make the payments in due time in case of withdrawal of its application for participation or non-participation (article 5 of the conditions of participation).

4. Co-exhibitors and group stands

Additionally, represented companies are classified as those whose exhibits are shown by the exhibitor. Manufacturers of such equipment, machinery or other products

which are necessary for the demonstration of an exhibitor's products are not regarded as co-exhibitors or as additionally represented companies. In accordance with the admissions regulations co-exhibitors can be entered into the catalogue with their full address provided all fees have been paid and the necessary documents have been received by the specified deadline. Messe Düsseldorf (Shanghai) Co., Ltd. can authorize group stands provided they are in keeping with the overall pattern of the event. Exhibitors on group stands are subject to all regulations. If a stand is allocated to two or more companies, each company will be jointly and severally liable to Messe Düsseldorf (Shanghai) Co., Ltd.. Contracting parties for group stands are responsible for ensuring that all exhibitors within their group are fully aware of and agree to abide by these terms and conditions of the exhibition.

5. Cancellation and non-participation

Applications can be withdrawn up until admission before receiving the official booth confirmation letter by the fair company. The withdrawal fee amounts to 50% of the total participation charge. If the exhibitor, for whatever reason, withdraws its application or reduces the stand area after the organizers have sent the payment notice, the exhibitor shall nevertheless pay the participation fee. The charges paid will not be refunded.

With return of space application/ contract, the exhibitor shall not be entitled to rescind the contract nor to reduce the stand area.
